**RE: Petition of Duke Energy Carolinas, LLC and Duke Energy Progress, LLC for Approval of CPRE Queue Number Proposal, Limited Waiver of Generator Interconnection Procedures, and Request for Expedited Review
Docket No. 2018-202-E**

Dear Ms. Boyd:

On January 31, 2020, Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (the “Companies”) submitted a letter to notify the Public Service Commission of South Carolina (“Commission”) of a second extension to the period for submission of proposals into Tranche 2 of the Competitive Procurement of Renewable Energy (“CPRE”) Program Request for Proposal (“RFP”) solicitation. In that letter, the Companies incorrectly stated that the new deadline for submission of proposals into the Tranche 2 CPRE RFP solicitation is March 4, 2020. With this letter, the Companies are correcting that error and clarifying that the deadline for submission of proposals to the Tranche 2 CPRE RFP solicitation is actually March 9, 2020.

Sincerely,

Rebecca J. Dulin
